Petitioners state (Continued): In addition, the Co-Administrators have received unfavorable reassessments from the Fresno County Tax Assessor on the real properties, and have appealed the reassessments by way of filing Applications for Changed Assessment relating to Notices of Supplemental Assessment, and they are awaiting the assignment of a hearing date by the Fresno County Board of Supervisors. The Co-Administrators also stand ready to work directly with the Fresno County Tax Assessor if and when the opportunity presents itself to possibly arrive at a compromise and settlement of the proposed real estate tax assessments associated with the change of ownership occasioned by the decedent's death.

Very recently, the City of Fresno adopted a new general plan affecting, among other things, the real property on Peach Avenue. The plan designated 16 acres more or less out of the Peach Avenue property for park purposes. The Co-Administrators protested the plan as it related to the estate property and were successful in getting the plan modified such that the designation for park purposes covering the estate's property was reduced to 4 or 5 acres. The purpose of opposing such a large number of acres designated as park was in the best interest of the estate because with fewer acres in the designation, the options of a prospective buyer/developer of the real property are enhanced, making the property more marketable.

Besides all the real property included in the I&A, the Administrators presently have in their possession cash of \$53,127.01 held in a checking and money market account for the estate and securities and money market funds held in a brokerage account amounting to \$196,831.72.

The Co-Administrators pray as follows:

1. **That the statutory period of administration run for a duration of 18 months instead of 12 due to the necessity of filing a federal estate tax return pursuant to §12200 et seq.;**
2. **That due to unsettled issues relating to the real estate and desired marketing thereof to effect distribution, the Ao-Administrators be granted an additional 6-month period ending in September 2015 in which to either file a Petition for Final Distribution or a Second Report of Status;**
3. **Any other order or orders as the Court may deem appropriate under the circumstances.**

Note: All heirs waive the filing of an additional bond in excess of the bond originally obtained (\$85,000.00).

Status Report filed 5/8/15 states the Co-Administrators and other beneficiaries are in favor of and consent to ongoing administration until such time as the real properties can be cleared of any actual or potential contamination and can be sold in order to facilitate closure of the estate without distribution in undivided interests. Also, the Co-Administrators have been attempting to resolve their disagreement with the County of Fresno Tax Assessor over the proposed increase in reassessment of the parcels held in the estate. An appeal has been filed and they are awaiting a hearing before the Board of Supervisors. Petitioners pray that they be granted an extension until September 2015 to either file a petition for final distribution or a Second Report of Status.

NEEDS/PROBLEMS/COMMENTS: Note: The Administrator was formerly represented by Attorney Gary Motsenbocker. Attorney Dean Hiyama subbed in on 4/7/15. 1. Need Inventory and Appraisal pursuant to Probate Code §8800.
Cont. from 030215	The Court set status hearing for 3/2/15 for the filing of the Inventory and Appraisal, which was continued to 5/13/15.	
Aff.Sub.Wit.	Status Report filed 5/6/15 states a partial Inventory and Appraisal was sent to the probate referee on 4/29/15, which includes three accounts and a piece of real property in Fresno. The remainder of the estate consists of approx. 11,800 acres of land, some of which is grazing land, some of which are permanent crops. There are approx. 30 parcels that make up the acreage. Due to the large amount of acreage, it has been necessary to order lot book guarantees from the title company in order to assure the correct title and legal descriptions. The request was sent 4/17/15. The estimate of time needed to complete the lot book guarantees from the title company was 4-6 weeks. Therefore, approx. 45 days is requested to allow time to prepare and file the final Inventory and Appraisal.

Petition - Appoint Probate Conservator

See petition for details.			NEEDS/PROBLEMS/COMMENTS:
			Court Investigator to advise rights, file report. Voting rights affected – need minute order.
			1. Petitioner checked the box at #1k for dementia medication and/or placement powers under Probate Code §2356.5; however, Petitioner did not attach the mandatory Judicial Council Form GC-335 Attachment Requesting Special Orders Regarding Dementia, which is referenced at #1k. Without this attachment, it is unclear what powers Petitioner is requesting, and the proposed Conservatee and relatives were not served with this information. The Court may require this attachment to be filed with a declaration and served on interested persons.
			2. If dementia powers are requested, an attorney must be appointed to represent the proposed Conservatee pursuant to Probate Code §§ 2356.5(f)(1), 1470; therefore, continuance for appointment of an attorney may be necessary.
			3. Need Capacity Declaration (GC-335), which should include the Dementia Attachment to Capacity Declaration (GC-335A).
			4. Petitioner requests appointment without bond; however, pursuant to Cal. Rule of Court 7.207 and Probate Code §2320(c)(4), bond including cost of recovery is required for every conservator of the estate. Examiner calculates bond including cost of recovery at \$21,485.20.
			<u>Note:</u> There is no provision for waiving the filing of an inventory and appraisal. Further, at least a first account is required prior to waiving further accounts pursuant to Probate Code §2628. Therefore, if granted, the Court will set status hearings as follows:
			<ul style="list-style-type: none"> Wednesday, July 1, 2015 for filing bond Wednesday, Oct. 14, 2015 for filing the Inventory and Appraisal Wednesday, August 10, 2016 for filing the first account.
			If the proper items are on file pursuant to Local Rule 7.5, the status hearings may be taken off calendar.
